

An aerial photograph of a paved road lined with trees in autumn. The road is flanked by sidewalks and grassy areas. The trees have yellow and orange leaves, and fallen leaves are scattered on the ground. A white text box is overlaid on the center of the image, containing the title and subtitle.

POST PANDEMIC ROADMAP

Part 1 of 4 - Introduction

Sudden Transformation

New Policies

New Strategy

Stabilize

Sudden Transformation

Survive

- Fine-tune Remote Work Technology
- Continue Migrations to Cloud and Co-location
- Strengthen Security Perimeters and Monitoring
- Maintain Temporary Business Models and Response Teams
- Review eCommerce On-Line Opportunities
- Continue Status Communications for Employees, Customers, and Stakeholders

New Policies

Adjust

- Employee Work from Home Policies
- Video Conference Formality Expectations
- Insurance, Risk, and Liability Guidelines
- Office and Facility Guidelines
- Supply Chain Policies
- Employee Recruiting, Absence, and Retention Policies
- Data Security, Protection, and storage Policies

New Strategy

Execute

- Rethink Existing Business Models, Marketing, and Branding
- Identify and Accelerate New Business Models
- Revise IT Technologies and Strategic Plan
- Sort-out Temporary versus Permanent Processes (Align with Government Phasing)
- Review Key Suppliers and Business Partners
- Revalidate Geographic and Physical Locations

Is your business enabled with smart technologies?

Have you thought through your eCommerce strategy?

Do you have your security defenses fully deployed?

Are your HR policies ready for the future situation?
